New Mexico Landfill Engineering Projects**

Project/Location	Client	Duration	Description
1 Cerro Colorado Landfill Albuquerque, NM	City of Albuquerque Solid Waste Department Mr. Johnny Peña, Project Manager Phone: (505) 892-2055	1998 to Present	Permit Modification and Renewal for Landfill Expansion, Siting Criteria Validation, Final Cover Design, Groundwater Monitoring and Reporting, Site Master Plan, 5-Year CIP, Construction Drawings, CQA for Liner Installation (2 Cells at 44 Acres), Testimony at Public Hearing, Transfer Station Feasibility
2 Camino Real Landfill Sunland Park, NM	Camino Real Environmental Center, Inc. Mr. Lee Wilson, District Manager Phone: (505) 589-9440	1989 to Present	Permit Modification and Renewal for Landfill Expansion, Siting Criteria Validation, Final Cover Design, Contract Documents, Bid Specifications, CQA Observation, Title V Permit Application/Renewal, Air Dispersion Modeling, Landfill Gas Collection and Control System Design, Title V Recordkeeping and Compliance Reporting, Quarterly Surface Emissions Monitoring, Annual Emissions Inventory, Groundwater Monitoring and Reporting, Testimony at Public Hearing, NPDES Reporting
3 Sandoval County Landfill Rio Rancho, NM	Sandoval County Mr. Phil Rios, Director of Public Works Phone: (505) 867-0814	1998 to Present	Siting Criteria Validation, Title V Permit Application, Operations and Compliance Assistance, Construction Plans and Contract Documents, CQA Observation, Groundwater and Landfill Gas Monitoring and Reporting, Application for Permit Renewal, Landfill Expansion, New Recycling, Composting, Public Convenience Center, NPDES Reporting
4 Lea County Landfill Eunice, NM	Lea County Solid Waste Authority Mr. Pat Wise, Chairman (505) 399-2376 Phone:	1997 to Present	Siting, Design, Permitting, Construction Management, CQA for Liner Installation, Construction Plans and Specifications, Bid Documents, Testimony at Public Hearing, Ongoing Compliance and Operations Review, NPDES Reporting
5 Sand Point Landfill Carlsbad, NM	City of Carlsbad Mr. Luis Camero, Public Works Director Phone: (505) 885-6262	1992 to Present	Site Design, Siting Criteria Validation, Final Cover Design, Construction Drawings, CQA for Liner Installation, Groundwater Monitoring and Reporting, Testimony at Public Hearing, Title V Permit Application, Air dispersion Modeling, Title V Recordkeeping and Compliance Reporting, Annual Emissions Inventory, NSPS Reporting, Permit Mid-term Review, NPDES Reporting
6 Roswell Landfill Roswell, NM	City of Roswell Mr. Juston Patty, Landfill Manager Phone: (575) 623-3656	2002 to Present	Design and Permitting for 100-Acre Lateral Expansion of Existing Landfill, Construction Plans/Specs and Bid Phase Services for Unit II Closure, Construction Plans/Specs/Bid Phase Services/CQA for New 10-Acre Cell, Monitoring Well Installation CQA
7 Raton Landfill Raton, NM	City of Raton Mr. Pete Mileta, Jr., P.E., City Manager Phone: (505) 445-9181	2002 to Present	Groundwater Quality Assessment, Groundwater Monitoring and Reporting, Feasibility and Cost Analysis for Proposed Landfill, Siting Assessment, C/PC Planning
8 San Juan County Regional Landfill Farmington, NM	Jordan Engineering, Inc. Mr. James Jordan, President Phone: (505) 280-2823	2001 to Present	Landfill Design and Permit Application, Masterplanning, Construction Plans/Specs for 160-Acre Regional Facility, Testimony at Public Hearing, NSPS Reporting, CQA Observation and Documentation for Construction of Composite Liner System
9 Valencia Regional Landfill and Recycling Facility Valencia County, NM	Jordan Engineering, Inc. Mr. James Jordan, President Phone: (505) 280-2823	1996 to Present	Siting Confirmation, Masterplanning, NMED Permit Application for 490-Acre Regional Landfill and Recycling/Processing Facility, Testimony at Public Hearing, Landfill Gas Monitoring/Reporting
10 Otero/Lincoln County Regional Landfill Orogrande, NM	City of Alamogordo Mr. José Miramontes, Public Works Director Phone: (505) 439-4240	1993 to 2003	Groundwater Monitoring and Reporting, CQA Observation and Regulatory Reporting, Title V Permit Application, Air Dispersion Modeling, Title V Recordkeeping and Compliance Reporting, Annual Emissions Inventory, NSPS Reporting, Special Waste Permitting
11 Rio Rancho Sanitary Landfill Rio Rancho, NM	Waste Management, Inc. Mr. Mike Foster, Regional Manager Phone: (505) 250-6720	1998 to Present	NSPS Reporting, Leachate Collection System CQA, Final Cover CQA, Title V Operating Permit Application/Renewal, Air Dispersion Modeling, Groundwater and Landfill Gas Monitoring/Reporting, Annual Emissions Inventory
12 Southwest Landfill Albuquerque, NM	Southwest Landfill, LLC Mr. Rafael Valdepeña, Supervisor Phone: (505) 269-2139	2004 to Present	Permit Mid-term Review, Design, Construction Plans, and CQA for New 8-Acre Cell, Compliance Review
13 Caja del Rio Landfill Santa Fe, NM	Santa Fe Solid Waste Management Agency Mr. Randall Kippenbrock, Executive Director Phone: (505) 424-1850	1998 to Present	Design of Revised Base Grading Plan and Leachate Collection System, Construction Plans, Contract Documents, Bid Specifications, Liner Installation CQA
14 City of Portales Landfill Roosevelt County, NM	City of Portales Mr. Tom Howell, Public Works Director Phone: (505) 356-6662	1998 to Present	Feasibility and Cost Analysis for Proposed Landfill
15 Corralitos Landfill Las Cruces, NM	South Central Solid Waste Authority Mr. Patrick Peck, Director Phone: (505) 528-3800	1995 to Present	Landfill Design and Permitting, Permit Mid-term Review, CQA Management of First Cell, Leachate Collection System and Final Cover Design, Groundwater Monitoring Suspension Request and Approval, CQA for Liner Installation

Project/Location	Client	Duration	Description
16 Torrance County Regional Landfill Estancia, NM	Torrance County Solid Waste Authority Mr. Joseph Ellis, Manager Phone: (505) 384-4270	2002 to Present	Liner and Leachate Collection System Design, HELP Modeling, Liner Installation CQA, Landfill Gas and Groundwater Monitoring
17 Old Carlsbad Landfill Carlsbad, NM	City of Carlsbad Mr. Luis Camero, Director of Public Works Phone: (505) 887-1191	1995 to 2005	C/PC Plan, Final Cover Design, Contract Documents and Bid Specifications (Landfill Closure), Background Groundwater Quality Development and Reporting, Landfill Gas Monitoring, Final Cover CQA
18 Tucumcari Municipal Landfill Tucumcari, NM	City of Tucumcari Mr. John Sutherland, Jr., City Manager Phone: (575) 461-3451	2007 to Present	C/PC Plan, Final cover Design, Contract Documents and Specifications (Landfill Closure), Final Cover CQA, New Landfill, Redesign, Procurement Support, and CQA
19 Dog Canyon Landfill Alamogordo, NM	City of Alamogordo Mr. José Miramontes, Public Works Director Phone: (505) 439-4240	1995 to 2003	C/PC Plan, Final Cover Design, Contract Documents and Bid Specifications (Landfill Closure), Groundwater Monitoring and Reporting, Final Cover CQA
20 Dark Canyon Landfill Carlsbad, NM	Eddy County Mr. Steve Massey, County Manager Phone: (505) 887-9511	1995 to Present	C/PC Plan, Closure Construction and Reporting, Landfill Gas and Groundwater Monitoring/Reporting
21 Loving Landfill Loving, NM	Eddy County Mr. Steve Massey, County Manager Phone: (505) 887-9511	1992 to Present	C/PC Plan, Groundwater and Landfill Gas Monitoring/Reporting
22 Catron County Landfills (4) Catron County, NM	Catron County Mr. Bill Aymar, County Manager Phone: (505) 533-6423	2001 to Present	C/PC Plan Preparation for Four County Landfills, Final Cover Design CQA, Groundwater and Landfill Gas Monitoring/Reporting
23 Southwest New Mexico Regional Landfill Silver City, NM	Southwest Solid Waste Authority Mr. Alex Brown, Director Phone: (505) 388-8051	2005 to Present	Permit Modification for Special Waste Acceptance and Design of Revised Base Grading Plan and Leachate Collection System
24 High Desert (Rhino) Landfill Chaparral, NM	Camino Real Environmental Center, Inc. Mr. Lee Wilson, District Manager Phone: (505) 589-9440	2002 to Present	Design Review and Compliance Submission for new 100-acre Regional Landfill. Development of Drilling Workplan, Well Installation Bid Phase Services and Technical Specs, Plans, Specs, and Bid Phase for First Cell, CQA, and Engineering Certification
25 Cambray Landfill Deming, NM	Camino Real Environmental Center, Inc. Mr. Lee Wilson, District Manager Phone: (505) 589-9440	1996 to 2000	Feasibility and Cost Analysis for Proposed Landfill and Transfer Facilities
26 De Baca County Landfill Fort Sumner, NM	De Baca County Mr. Powhatan Carter III, County Commission Chairman Phone: (505) 355-2601	2006 to Present	C/PC Plan; Groundwater Monitoring, Reporting, and Statistical Analyses; Landfill Gas Monitoring and Reporting
27 Clayton Landfill Clayton, NM	Town of Clayton Mr. Harry Staven, City Manager Phone: (505) 374-8331	2006 to Present	C/PC Plan; Groundwater Monitoring, Reporting, and Statistical Analyses; Landfill Gas Monitoring and Reporting; Feasibility and Cost Analysis for Proposal Landfill; Siting, Design, and Permitting of New Landfill
